**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The internet is the single most important resource for America today. It's how we interact with each other, find jobs, find spouses, learn, get entertainment, and in many cases how we work.

I chose to change to a local provider, Sonic, because they provide fiber internet at a good price and are for net neutrality.

We need more options, more competition, more choice. We need more, faster internet.
